STATUS REQUEST

Commissioner for Patents  
P.O. Box 1450  
Arlington, VA 22313-1450

Dear Sir:

To date we have not received an Office Action in the above-identified application. A decision to grant the Petition to Revive filed on March 22, 2005 was mailed on April 19, 2005, more than two years ago. However, the status on the USPTO Patent Application Information Retrieval System (PAIRS) still indicates that the application is "Abandoned – Incomplete Application (Pre-Examination)." This is our third request for status since the Petition to Revive was granted. We have not yet received a response from the Office to our first or second requests for status. Please let us know the status of the application as soon as possible and please make the necessary changes to the PAIRS system information so that the current "pending" status is indicated.

Respectfully submitted,  
FULWIDER PATTON LLP
